

# MuoviTech

## CERTIFICATE OF GUARANTEE

**This certificate is to certify that Muovitech International AB grant 50 years guarantee on geothermal energy collectors, manifolds and manifold chambers. The guarantee is based on the EU standard for pressure pipes INSTA SBC 12201 EN 12201:2003 as well as the Manufacturing Norm for geothermal energy collectors attached.**

**In order to validate the guarantee the customer must provide Muovitech with a guarantee application as well as pressure test reports completed before and after the installation.**
